

**Nancy Buschart** is a vocal musician and teacher, and a spiritual director and mentor to women. She is university, conservatory and seminary trained, receiving her M.A. in Christian Studies from Denver Seminary in 2002.

Nancy has sung in solo concert ministry, served the local church as worship leader and choir director, and since 1986 has taught vocal technique and performance to individuals of all ages in her private voice studio.

Nancy is the designer and founder of Vine, Vision and Voice, a ministry that seeks to allow the Word of God to encourage women to discover deepening intimacy with Christ and a fuller expression of their creative voice.

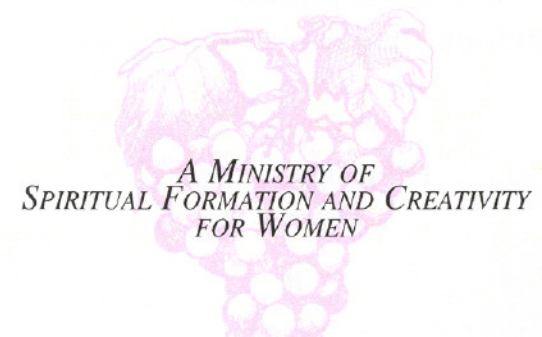

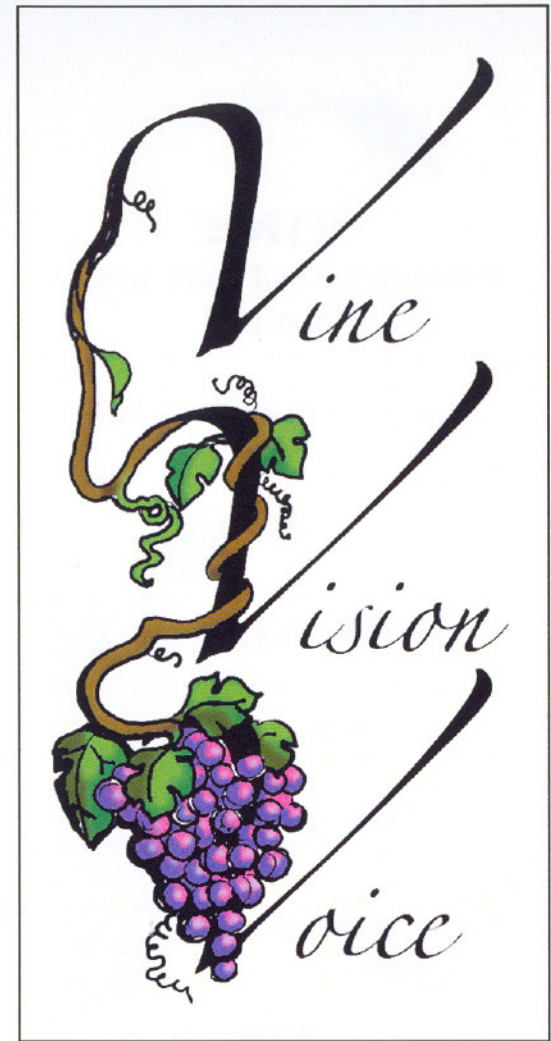

Nancy is a passionate gardener and finds joy in other creative languages including photography and watercolor painting. She lives in Centennial, CO, with her husband, David, and their two teenage daughters.

**Come,  
Magnify the Lord  
With Me.  
Let us  
Exalt His Name  
Together.**

**Psalm 34:3**

## VINE

Abide in me as I abide in you.

John 15.4

Learning to abide in him

## VISION

The world is crowded with God.

C.S. Lewis

Learning to "see" him

## AND VOICE

Declare his steadfast love in the morning and his faithfulness at night.

Psalms 92.2

Learning to "speak" in creative voices

• **VINE, VISION AND VOICE** is for women who desire to grow in their experience of God in concert with the creative arts.

• The purpose of **vvv** is to encourage women to move deeper in their understanding and experience of a vibrant relationship with Christ, with themselves, and with others.

• In using God's Word to prompt and magnify the creative voice within, **vvv** believes that one's spiritual journey and personal relationship with God will be deepened.

• **vvv** is founded on the belief that each of us, being made in the image of God, is gifted with creative abilities.

• **vvv** believes that in discovering, developing and expressing the creative voice, we develop new languages of worship and new vision for seeing God at work.

• **vvv** longs to see women discover the fullness of their life in Christ and of their creative voice.

The curriculum of **VINE, VISION AND VOICE** has three eight-week sessions.

## AWAKENING

Awaken to the hunger for God in the soul

## ILLUMINATION

Embrace the Virtues of Jesus applied through the Spiritual Disciplines

## EMERGENCE

Move from within one's experiences out into the Kingdom for the Sake of Others
