

Edward L. Hayes

Presidential Scholarship Fund

Denver Seminary is building a transformational global community in partnership with the church to equip leaders for the 21st century to think biblically, live faithfully and lead wisely for a lifetime.

Edward L. Hayes was the fourth president of Denver Seminary and served from 1993-1996. Much of his legacy is rooted in his previous role, which was Academic Dean, a role he filled from 1972-1979. During that time, Dr. Hayes helped shape the caliber and character of the faculty to world-class distinction. His love for shaping the minds and hearts of students was evident throughout his tenure and for that reason, a scholarship fund was established in his honor.

As Denver Seminary is building a transformational global community to equip leaders from all over the world to think biblically, live faithfully and lead wisely for a lifetime, we are excited to have this merit-based scholarship fund which provides financial assistance for students demonstrating exceptional levels of academic achievement. The earnings from this endowed scholarship fund will help deserving students complete their studies in preparation for ministry.

Denver Seminary continues to welcome near-record incoming classes each fall. With more than 900 students in all programs from more than 40 states, 22 countries and six continents, Denver Seminary is attracting top students from around the world. Today's students are equipped to serve as tomorrow's Christian leaders through the transformational educational experience they receive at Denver Seminary. If you would like to give to the Edward L. Hayes Presidential Scholarship Fund or learn more about endowment giving opportunities through current gifts or through your estate, please contact Brian Fort at 303-762-6924 or by email at brian.fort@denverseminary.edu.

“Central to the theology of the Christian faith is an understanding of the unique work in calling out a people for Himself.

Part of the good news the apostles preached was the direct revelation from Jesus Christ that His redemptive work of grace would bear fruit in the formation of the church.”

-Edward L. Hayes
President Emeritus
